MEMORANDUM

TO: Guns Sub-sub-committee

FROM: Jon R. Phillips

DATE: 1-22-8

RE: Overview of gun laws.

I have been asked to provide an overview of applicable gun laws. Much of what follows in terms of factual information is the work product of Howard Maltz. The opinions expressed are mine alone. I have made no attempt to provide a comprehensive summary of federal gun laws. The federal laws are enforceable by the U.S. Attorney's office and not especially amenable to any local effort to change in the short term. Assisting the federal government in the enforcement of federal gun laws should certainly be a high priority for local law enforcement. Further, more knowledge about the federal gun laws would be more appropriately acquired from subject matter experts from the federal government. It is true that there are many occasions on which the federal government has significant advantages over local forces in prosecuting gun crimes. These advantages, however, tend to be derived from the superiority of the federal criminal system in general (from a prosecutor's point of view) versus the procedures in state court. State court felony defendants are free to depose all the prosecution's witnesses and are also entitled to virtually open file discovery. Federal defendants cannot take depositions and get much more limited discovery, and frequently later in the proceedings. Certain crimes, such as conspiracy, are also easier to prove in federal court versus state court. Nevertheless, the U.S. attorney's offices could not ever be expected to take over the bulk of felony prosecutions in our jurisdiction for reasons of limited resources.

The primary group of laws with which we are concerned are State of Florida statutes. There are, of course, a few local ordinances that address the subject of guns. However, local ordinances are limited with regard to preventing gun crime in that no local ordinance can have a penalty greater than the penalties for misdemeanors. These local ordinances include prohibitions on firing a gun in an Urban Services District or residential area, carrying a concealed weapon, or firing a gun near occupied premises. Again, however, these largely overlap with state statutes with typically harsher potential penalties.

The Florida Statutes with respect to gun crimes are extensive. Most of the more egregious types of behaviors are punished as felonies, assuming that the perpetrators were to be arrested and successfully prosecuted. On the other hand, Florida laws are permissive with respect to the possession and carrying of firearms by those who are not convicted felons or actively engaged in criminality while carrying a gun. Crimes in Florida are classified into different degree felonies and misdemeanors, with their commensurate maximum penalties stated as follows:

Second Degree Misdemeanor- up to 60 days in jail
First Degree Misdemeanor- up to one year in jail
Third Degree Felony- punishable up to 5 years in prison
Second Degree Felony- punishable up to 15 years in prison
First Degree Felony- punishable up to 30 years in prison
First Degree Felony Punishable by Life- Up to life in prison
Life Felony- Up to life in prison
Capital Felony- Mandatory Life Imprisonment or Death (limited to First Degree murder)

Minimum mandatory sentences for use of a firearm are discussed below as well. In addition, any crime, in which use of a firearm is not an essential element, is enhanced up one degree for the use or possession of the firearm during the commission of the felony, thus increasing the potential maximum penalty. For example, possession of cocaine is a third degree felony; possession of cocaine while armed with a firearm is a second degree felony, which changes the potential penalty from 5 years in prison to 15.

The most common firearm offenses are stated below:

Carrying a Concealed Firearm- Third Degree Felony

Use of a Firearm in the Commission of a Felony - Second Degree Felony (unless previously convicted of such offense before, in which case it becomes a first degree felony).

Improper exhibition of a firearm- first degree misdemeanor. (Improper meaning careless, rude, angry, or threatening manner.) (It is unknown why this should only be a misdemeanor.)

Improper (careless or threatening) exhibition of a firearm at a school (or at a school sponsored event)-- third degree felony

Possession of a firearm on school grounds- third degree felony

Discharge of firearm on school grounds- second degree felony

Discharge of firearm in public- first degree misdemeanor

Discharge of firearm from a car within 1000' of a person- second degree felony

Use of firearm while under the influence of alcohol- second degree misdemeanor

Furnishing a firearm to a minor- third degree felony

Shooting into buildings, dwellings or vehicles- second degree felony

Possession of short barreled shotgun or rifle- second degree felony

Possession of firearm by convicted felon- second degree felony

Possession of a firearm by person against whom domestic violence injunction has been issued- first degree misdemeanor.

Possession of firearm by violent career criminal- first degree felony

Possession of firearm with altered serial number- first degree misdemeanor

Possession of prohibited ammunition- third degree felony

In addition to the above-referenced firearms offenses, Florida imposes certain minimum mandatory prison sentences for the use of a firearm during certain enumerated felonies. This law, commonly referred to as the "10/20/life law" provides that if a person is convicted of an offense enumerated in Florida Statutes, section 775.087(2)(a)(1) in which he/she possessed a firearm, he/she shall be sentenced to a minimum mandatory term of 10 years in prison (except for persons convicted of aggravated assault, possession of a firearm by a convicted felon, or burglary to a conveyance, in which case the minimum mandatory sentence is 3 years). If said person is convicted of an enumerated offense and discharged the firearm during the commission thereof, he/she shall be sentenced to a minimum mandatory sentence of 20 years in prison. If said person is convicted of an enumerated offense and discharges a firearm resulting in death or great bodily harm, they shall be sentenced to a minimum term of 25 years, not to exceed life imprisonment. (Some of these minimum mandatory terms are increased if the firearm at issue was a semi-automatic weapon with high-capacity detachable magazine).

In sum, in the opinion of the writer, although no system is perfect, it does not appear that the problem of guns on the streets is caused by the lack of gun laws, nor by the unavailability of harsh punishment for those who are convicted of gun crimes.

By contrast, Florida law is permissive with regard to owning and possession firearms. Even without a concealed weapons permit, it is legal to carry a firearm in one's car, if the gun is securely encased. With a carry permit, one can carry a gun to most places. The exceptions are: To a place of nuisance, a jail, a courthouse, a polling place, a government meeting, a school, college or professional athletic event not related to firearms, a school administration building, a bar or lounge, a school, or on a plane. (There are others, and exceptions to the exceptions, not pertinent here.) There are restrictions on obtaining a carry permit, but even people who have been found guilty of drug or alcohol offenses remain eligible if the criminal problems were more than 3 years previous.

There is no longer any ability to or requirement that one register one's firearms with the police. In fact, for the JSO to keep a list of those who lawfully possess weapons would be illegal. See F.S. 790.335 .

City to Take New Tack To Curb Gun Violence

Philadelphia's Mayor-Elect Vows Tough Measures

By DARRYL FEARS
Washington Post Staff Writer

PHILADELPHIA — The incoming mayor of this city is proposing a comprehensive plan of aggressive police tactics, including limiting the movement of people in high-crime neighborhoods and directing officers to increase searches of people on the street for illegal weapons, all in a desperate effort to curtail gun violence and stop the slayings of young black men.

Mayor-elect Michael Nutter, angered by the brazen shooting of a police officer and a persistently high number of killings that threatens to top 400 for a second consecutive year, has vowed to declare a crime emergency as soon as he enters office Jan. 7. Nutter also plans to bring the police force to full strength for the first time in years, saturate high-crime communities with officers, limit or prohibit street gatherings and establish curfews in those neighborhoods.

The mayor also wants to change municipal employment practices to give former prisoners a better shot at being hired by the city, and he wants to give a three-year tax credit to businesses that hire ex-offenders.

"Last year, 406 people were killed, 70 percent of them black men," Nutter said in an interview. "If it were anything else, an explosion or a health outbreak, the federal government would have our city on lockdown trying to find out what's going on with agencies we haven't even heard of."

"But it's one homicide here, one there — people doing bad things to each other," said Nutter, a former city council member. "It's ripping the heart out of the city. It's damaging the morale of the city. It's damaging all of us."

Nutter said the killing of police officer Charles "Chuck" Cassidy in a Dunkin' Donuts in north Philadelphia in late October angered residents and highlighted the need for tough reforms.

"The shooting — I call it the assassination — of police officer Chuck Cassidy has transcended the issue of race, and put the prob-

lem out there so that everyone in Philadelphia could understand it," Nutter said. "We need to stop the violence and instill respect for human life. In many cases, those guys don't value their own lives."

Parts of Nutter's proposal have been used in other cities to reduce crime. The District of Columbia has employed curfews in the past. Aggressive "stop and frisk" tactics have been put into place in Los Angeles, Pittsburgh, Indianapolis and Minneapolis. Philadelphia itself has resorted to limiting the movement of people in some high-crime areas, though the policy has been used only on a temporary basis.

"It's hard to tell how big Nutter plans to make this," said Stephanos Bibas, a law professor at the University of Pennsylvania Law School and a former federal prosecutor in Manhattan. "Philadelphia is just getting around to the strategies that New York was using 15 years ago and Boston

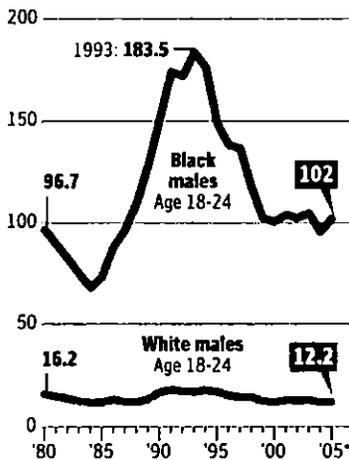

was trying to use 20 years ago. I think this could be very big. I think it's a lot bigger than anything Philadelphia has done before."

Police walk residents through a crime scene in north Philadelphia. The city has experienced a surge in gun violence in recent years.

mented by former D.C. police chief Charles H. Ramsey, whom Nutter appointed to head the Philadelphia force, are among the city's efforts to cut into the stubbornly high homicide rate among African American men in their late teens and early 20s.

While the rate among black men age 18 to 24 has dropped dramatically from the highs of the early 1990s during the height of the urban crack war, the group's homicide rate is still about nine times higher than the rate among white men of the same age, and is far higher than the rate for any other group of black people.

In Philadelphia, homicides rose to 406 last year, an 8 percent increase from the year before, and more than 2,000 people were shot. Police are overwhelmed with cases, said Lt. Mel Williams. Eighty detectives are working on 372 cases, solved and unsolved, from this year alone. There are hundreds of such cases from previous years.

Nutter enjoyed overwhelming support during the general election, especially among black voters, earning a landslide victory. But some of his proposals have raised eyebrows among activists in a city with a checkered history in the relations between the police and the black community, a history that includes allegations of police brutality under then-Mayor Frank Rizzo and the bombing by police, at the direction of then-Mayor W. Wilson Goode, of the headquarters of a black sect known as MOVE.

But as guns continue to take the lives of young black men, a few activists said they are willing to look beyond history and give Nutter the benefit of the doubt. Dorothy Johnson-Speight, founder of a group called

Mothers in Charge, composed of women with slain children, said the idea rubbed her the wrong way "because it could violate people's civil rights." But she added that she is willing to wait to see the results "because something has to be done."

In December 2001, Johnson-Speight's son, Khaaliq Jabbar Johnson, 24, was shot seven times by a man who had argued with him over a parking space outside his apartment. Johnson was a graduate of the University of Maryland Eastern Shore and was preparing to work with children with behavioral problems.

"I don't know if I've come to terms with it," Johnson-Speight said. "Sometimes it feels like yesterday. And it was before a holiday," forcing her to relive her son's murder every Christmas.

Johnson-Speight said she was aware of the high homicide rate among black men ages 18 to 24 and worried for her son. Death "was always my biggest fear," she said. "That June, when he turned 24, I thought he had made it. Within six months, he was murdered."

Nutter's proposal is not the only idea being put forward to stem the carnage among young black men. A pair of black activists has put out a call to 10,000 black men to step forward and become mentors, big brothers and community observers on the lookout for bad behavior.

The movement, "A Call to Action: 10,000 Men: It's A New Day," was spearheaded by

music mogul Kenny Gamble and E. Steven Collins, a local radio personality. It has been endorsed by comedian Bill Cosby and actor Will Smith, both Philadelphia natives, as well as by the Police Commissioner Sylvester M. Johnson.

Hundreds of black men registered during the group's first rally in October, and they continue to sign up online, said the group's spokesman, Norm Bond.

"America has to wake up to the fact that there's a cancer in our society that's showing itself in the urban center and suburbia," Gamble said. "There's a war going on in America, and it's fueled by a lack of education, a lack of jobs and a lack of concern."

Collins explained his involvement. "I know as a black man I'm not doing enough," he said. "This whole effort is to get African Americans off the couch. Who cares if the [Philadelphia] Eagles win or lose? We've had enough."

History.--s. 1, ch. 99-132.

790.02 Officer to arrest without warrant and upon probable cause.--The carrying of a concealed weapon is declared a breach of peace, and any officer authorized to make arrests under the laws of this state may make arrests without warrant of persons violating the provisions of s. 790.01 when said officer has reasonable grounds or probable cause to believe that the offense of carrying a concealed weapon is being committed.

History.--s. 1, ch. 4929, 1901; GS 3263; RGS 5096; CGL 7198; s. 3, ch. 69-306.

790.051 Exemption from licensing requirements; law enforcement officers.--Law enforcement

However, nothing in this subsection shall be construed to limit the right of a law enforcement officer, correctional officer, or correctional probation officer to carry a concealed firearm off duty as a private citizen under the exemption provided in s. 790.06 that allows a law enforcement officer, correctional officer, or correctional probation officer as defined in s. 943.10(1), (2), (3), (6), (7), (8), or (9) to carry a concealed firearm without a concealed weapon or firearm license. The appointing or employing agency or department of an officer carrying a concealed firearm as a private citizen under s. 790.06 shall not be liable for the use of the firearm in such capacity. Nothing herein limits the authority of the appointing or employing agency or department from establishing policies limiting law enforcement officers or correctional officers from carrying concealed firearms during off-duty hours in their capacity as appointees or employees of the agency or department.

(2) The superior officer of any police department or sheriff's office or the Florida Highway Patrol, if he or she elects to direct the officers under his or her supervision to carry concealed firearms while off duty, shall file a statement with the governing body of such department of his or her instructions and requirements relating to the carrying of said firearms.

790.06 License to carry concealed weapon or firearm.--

(1) The Department of Agriculture and Consumer Services is authorized to issue licenses to carry concealed weapons or concealed firearms to persons qualified as provided in this section. Each such license must bear a color photograph of the licensee. For the purposes of this section, concealed weapons or concealed firearms are defined as a handgun, electronic weapon or device, tear gas gun, knife, or billie, but the term does not include a machine gun as defined in s. 790.001 (9). Such licenses shall be valid throughout the state for a period of 5 years from the date of issuance. Any person in compliance with the terms of such license may carry a concealed weapon or concealed firearm notwithstanding the provisions of s. 790.01. The licensee must carry the license, together with valid identification, at all times in which the licensee is in actual possession of a concealed weapon or firearm and must display both the license and proper identification upon demand by a law enforcement officer. Violations of the provisions of this subsection shall constitute a noncriminal violation with a penalty of \$25, payable to the clerk of the court.

(2) The Department of Agriculture and Consumer Services shall issue a license if the applicant:

(a) Is a resident of the United States or is a consular security official of a foreign government that maintains diplomatic relations and treaties of commerce, friendship, and navigation with the United States and is certified as such by the foreign government and by the appropriate embassy in this country;

(b) Is 21 years of age or older;

(f) Does not chronically and habitually use alcoholic beverages or other substances to the extent that his or her normal faculties are impaired. It shall be presumed that an applicant chronically and habitually uses alcoholic beverages or other substances to the extent that his or her normal faculties are impaired if the applicant has been committed under chapter 397 or under the provisions of former chapter 396 or has been convicted under s. 790.151 or has been deemed a habitual offender under s. 856.011(3), or has had two or more convictions under s. 316.193 or similar laws of any other state, within the 3-year period immediately preceding the date on which the application is submitted;

(g) Desires a legal means to carry a concealed weapon or firearm for lawful self-defense;

2. Completion of any National Rifle Association firearms safety or training course;

3. Completion of any firearms safety or training course or class available to the general public offered by a law enforcement, junior college, college, or private or public institution or organization or firearms training school, utilizing instructors certified by the National Rifle Association, Criminal Justice Standards and Training Commission, or the Department of Agriculture and Consumer Services;

4. Completion of any law enforcement firearms safety or training course or class offered for

security guards, investigators, special deputies, or any division or subdivision of law enforcement or security enforcement;

5. Presents evidence of equivalent experience with a firearm through participation in organized shooting competition or military service;

A photocopy of a certificate of completion of any of the courses or classes; or an affidavit from the instructor, school, club, organization, or group that conducted or taught said course or class attesting to the completion of the course or class by the applicant; or a copy of any document which shows completion of the course or class or evidences participation in firearms competition shall constitute evidence of qualification under this paragraph; any person who conducts a course pursuant to subparagraph 2., subparagraph 3., or subparagraph 7., or who, as an instructor, attests to the completion of such courses, must maintain records certifying that he or she observed the student safely handle and discharge the firearm;

(i) Has not been adjudicated an incapacitated person under s. 744.331, or similar laws of any other state, unless 5 years have elapsed since the applicant's restoration to capacity by court order;

(j) Has not been committed to a mental institution under chapter 394, or similar laws of any other state, unless the applicant produces a certificate from a licensed psychiatrist that he or she has not suffered from disability for at least 5 years prior to the date of submission of the application;

(k) Has not had adjudication of guilt withheld or imposition of sentence suspended on any felony or misdemeanor crime of domestic violence unless 3 years have elapsed since probation or any other conditions set by the court have been fulfilled, or the record has been sealed or expunged;

(l) Has not been issued an injunction that is currently in force and effect and that restrains the applicant from committing acts of domestic violence or acts of repeat violence; and

(m) Is not prohibited from purchasing or possessing a firearm by any other provision of Florida or federal law.

(3) The Department of Agriculture and Consumer Services shall deny a license if the applicant has been found guilty of, had adjudication of guilt withheld for, or had imposition of sentence suspended for one or more crimes of violence constituting a misdemeanor, unless 3 years have elapsed since probation or any other conditions set by the court have been fulfilled or the record has been sealed or expunged. The Department of Agriculture and Consumer Services shall revoke a license if the licensee has been found guilty of, had adjudication of guilt withheld for, or had imposition of sentence suspended for one or more crimes of violence within the preceding 3 years. The department shall, upon notification by a law enforcement agency, a court, or the Florida Department of Law Enforcement and subsequent written verification, suspend a license or the processing of an application for a license if the licensee or applicant is arrested or formally charged with a crime that would disqualify such person from having a license under this section, until final disposition of the case. The department shall suspend a license or the processing of an application for a license if the licensee or applicant is issued an injunction that restrains the licensee or applicant from committing acts of domestic violence or acts of repeat violence.

(4) The application shall be completed, under oath, on a form promulgated by the Department of Agriculture and Consumer Services and shall include:

(a) The name, address, place and date of birth, race, and occupation of the applicant;

(b) A statement that the applicant is in compliance with criteria contained within subsections (2) and (3);

(c) A statement that the applicant has been furnished a copy of this chapter and is knowledgeable of its provisions;

(d) A conspicuous warning that the application is executed under oath and that a false answer to any question, or the submission of any false document by the applicant, subjects the applicant to criminal prosecution under s. 837.06; and

(e) A statement that the applicant desires a concealed weapon or firearms license as a means of lawful self-defense.

(5) The applicant shall submit to the Department of Agriculture and Consumer Services:

(a) A completed application as described in subsection (4).

(b) A nonrefundable license fee not to exceed \$85, if he or she has not previously been issued a statewide license, or a nonrefundable license fee not to exceed \$70 for renewal of a statewide license. Costs for processing the set of fingerprints as required in paragraph (c) shall be borne by the applicant. However, an individual holding an active certification from the Criminal Justice Standards and Training Commission as a "law enforcement officer," "correctional officer," or "correctional probation officer" as defined in s. 943.10(1), (2), (3), (6), (7), (8), or (9) is exempt from the licensing requirements of this section. If any individual holding an active certification from the Criminal Justice Standards and Training Commission as a "law enforcement officer," a "correctional officer," or a "correctional probation officer" as defined in s. 943.10(1), (2), (3), (6), (7), (8), or (9) wishes to receive a concealed weapons or firearms license, such person is exempt from the background investigation and all background investigation fees, but shall pay the current license fees regularly required to be paid by nonexempt applicants. Further, a law enforcement officer, a correctional officer, or a correctional probation officer as defined in s. 943.10(1), (2), or (3) is exempt from the required fees and background investigation for a period of 1 year subsequent to the date of retirement of said officer as a law enforcement officer, a correctional officer, or a correctional probation officer.

(c) A full set of fingerprints of the applicant administered by a law enforcement agency.

(d) A photocopy of a certificate or an affidavit or document as described in paragraph (2)(h).

(e) A full frontal view color photograph of the applicant taken within the preceding 30 days, in which the head, including hair, measures $\frac{7}{8}$ of an inch wide and $1\frac{1}{8}$ inches high.

(6)(a) The Department of Agriculture and Consumer Services, upon receipt of the items listed in subsection (5), shall forward the full set of fingerprints of the applicant to the Department of Law Enforcement for state and federal processing, provided the federal service is available, to be processed for any criminal justice information as defined in s. 943.045. The cost of processing such fingerprints shall be payable to the Department of Law Enforcement by the Department of Agriculture and Consumer Services.

(b) The sheriff's office shall provide fingerprinting service if requested by the applicant and may charge a fee not to exceed \$5 for this service.

(c) The Department of Agriculture and Consumer Services shall, within 90 days after the date of receipt of the items listed in subsection (5):

1. Issue the license; or

2. Deny the application based solely on the ground that the applicant fails to qualify under the criteria listed in subsection (2) or subsection (3). If the Department of Agriculture and Consumer Services denies the application, it shall notify the applicant in writing, stating the ground for denial and informing the applicant of any right to a hearing pursuant to chapter 120.

3. In the event the department receives criminal history information with no final disposition on a

crime which may disqualify the applicant, the time limitation prescribed by this paragraph may be suspended until receipt of the final disposition or proof of restoration of civil and firearm rights.

(d) In the event a legible set of fingerprints, as determined by the Department of Agriculture and Consumer Services or the Federal Bureau of Investigation, cannot be obtained after two attempts, the Department of Agriculture and Consumer Services shall determine eligibility based upon the name checks conducted by the Florida Department of Law Enforcement.

(e) A consular security official of a foreign government that maintains diplomatic relations and treaties of commerce, friendship, and navigation with the United States and is certified as such by the foreign government and by the appropriate embassy in this country must be issued a license within 20 days after the date of the receipt of a completed application, certification document, color photograph as specified in paragraph (5)(e), and a nonrefundable license fee of \$300. Consular security official licenses shall be valid for 1 year and may be renewed upon completion of the application process as provided in this section.

(7) The Department of Agriculture and Consumer Services shall maintain an automated listing of licenseholders and pertinent information, and such information shall be available online, upon request, at all times to all law enforcement agencies through the Florida Crime Information Center.

(8) Within 30 days after the changing of a permanent address, or within 30 days after having a license lost or destroyed, the licensee shall notify the Department of Agriculture and Consumer Services of such change. Failure to notify the Department of Agriculture and Consumer Services pursuant to the provisions of this subsection shall constitute a noncriminal violation with a penalty of \$25.

(9) In the event that a concealed weapon or firearm license is lost or destroyed, the license shall be automatically invalid, and the person to whom the same was issued may, upon payment of \$15 to the Department of Agriculture and Consumer Services, obtain a duplicate, or substitute thereof, upon furnishing a notarized statement to the Department of Agriculture and Consumer Services that such license has been lost or destroyed.

(10) A license issued under this section shall be suspended or revoked pursuant to chapter 120 if the licensee:

(a) Is found to be ineligible under the criteria set forth in subsection (2);

(b) Develops or sustains a physical infirmity which prevents the safe handling of a weapon or firearm;

(c) Is convicted of a felony which would make the licensee ineligible to possess a firearm pursuant to s. 790.23;

(d) Is found guilty of a crime under the provisions of chapter 893, or similar laws of any other state, relating to controlled substances;

(e) Is committed as a substance abuser under chapter 397, or is deemed a habitual offender under s. 856.011(3), or similar laws of any other state;

(f) Is convicted of a second violation of s. 316.193, or a similar law of another state, within 3 years of a previous conviction of such section, or similar law of another state, even though the first violation may have occurred prior to the date on which the application was submitted;

(g) Is adjudicated an incapacitated person under s. 744.331, or similar laws of any other state; or

(h) Is committed to a mental institution under chapter 394, or similar laws of any other state.

(11)(a) No less than 90 days before the expiration date of the license, the Department of

Agriculture and Consumer Services shall mail to each licensee a written notice of the expiration and a renewal form prescribed by the Department of Agriculture and Consumer Services. The licensee must renew his or her license on or before the expiration date by filing with the Department of Agriculture and Consumer Services the renewal form containing a notarized affidavit stating that the licensee remains qualified pursuant to the criteria specified in subsections (2) and (3), a color photograph as specified in paragraph (5)(e), and the required renewal fee. Out-of-state residents must also submit a completed fingerprint card and fingerprint processing fee. The license shall be renewed upon receipt of the completed renewal form, color photograph, appropriate payment of fees, and, if applicable, a completed fingerprint card. Additionally, a licensee who fails to file a renewal application on or before its expiration date must renew his or her license by paying a late fee of \$15. A license may not be renewed 180 days or more after its expiration date, and such a license is deemed to be permanently expired. A person whose license has been permanently expired may reapply for licensure; however, an application for licensure and fees under subsection (5) must be submitted, and a background investigation shall be conducted pursuant to this section. A person who knowingly files false information under this subsection is subject to criminal prosecution under s. 837.06.

(b) A license issued to a servicemember, as defined in s. 250.01, is subject to paragraph (a); however, such a license does not expire while the servicemember is serving on military orders that have taken him or her over 35 miles from his or her residence and shall be extended, as provided in this paragraph, for up to 180 days after his or her return to such residence. If the license renewal requirements in paragraph (a) are met within the 180-day extension period, the servicemember may not be charged any additional costs, such as, but not limited to, late fees or delinquency fees, above the normal license fees. The servicemember must present to the Department of Agriculture and Consumer Services a copy of his or her official military orders or a written verification from the member's commanding officer before the end of the 180-day period in order to qualify for the extension.

(12) No license issued pursuant to this section shall authorize any person to carry a concealed weapon or firearm into any place of nuisance as defined in s. 823.05; any police, sheriff, or highway patrol station; any detention facility, prison, or jail; any courthouse; any courtroom, except that nothing in this section would preclude a judge from carrying a concealed weapon or determining who will carry a concealed weapon in his or her courtroom; any polling place; any meeting of the governing body of a county, public school district, municipality, or special district; any meeting of the Legislature or a committee thereof; any school, college, or professional athletic event not related to firearms; any school administration building; any portion of an establishment licensed to dispense alcoholic beverages for consumption on the premises, which portion of the establishment is primarily devoted to such purpose; any elementary or secondary school facility; any career center; any college or university facility unless the licensee is a registered student, employee, or faculty member of such college or university and the weapon is a stun gun or nonlethal electric weapon or device designed solely for defensive purposes and the weapon does not fire a dart or projectile; inside the passenger terminal and sterile area of any airport, provided that no person shall be prohibited from carrying any legal firearm into the terminal, which firearm is encased for shipment for purposes of checking such firearm as baggage to be lawfully transported on any aircraft; or any place where the carrying of firearms is prohibited by federal law. Any person who willfully violates any provision of this subsection commits a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083.

(13) All moneys collected by the department pursuant to this section shall be deposited in the Division of Licensing Trust Fund, and the Legislature shall appropriate from the fund those amounts deemed necessary to administer the provisions of this section. All revenues collected, less those costs determined by the Department of Agriculture and Consumer Services to be nonrecurring or one-time costs, shall be deferred over the 13-year licensure period. Notwithstanding the provisions of s. 493.6117, all moneys collected pursuant to this section shall not revert to the General Revenue Fund; however, this shall not abrogate the requirement for payment of the service charge imposed pursuant to chapter 215.

(14) All funds received by the sheriff pursuant to the provisions of this section shall be deposited into the general revenue fund of the county and shall be budgeted to the sheriff.

(15) The Legislature finds as a matter of public policy and fact that it is necessary to provide

statewide uniform standards for issuing licenses to carry concealed weapons and firearms for self-defense and finds it necessary to occupy the field of regulation of the bearing of concealed weapons or firearms for self-defense to ensure that no honest, law-abiding person who qualifies under the provisions of this section is subjectively or arbitrarily denied his or her rights. The Department of Agriculture and Consumer Services shall implement and administer the provisions of this section. The Legislature does not delegate to the Department of Agriculture and Consumer Services the authority to regulate or restrict the issuing of licenses provided for in this section, beyond those provisions contained in this section. Subjective or arbitrary actions or rules which encumber the issuing process by placing burdens on the applicant beyond those sworn statements and specified documents detailed in this section or which create restrictions beyond those specified in this section are in conflict with the intent of this section and are prohibited. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense. This section is supplemental and additional to existing rights to bear arms, and nothing in this section shall impair or diminish such rights.

(16) The Department of Agriculture and Consumer Services shall maintain statistical information on the number of licenses issued, revoked, suspended, and denied.

(17) As amended by chapter 87-24, Laws of Florida, this section shall be known and may be cited as the "Jack Hagler Self Defense Act."

790.0601 Public records exemption for concealed weapons.--

(1) Personal identifying information of an individual who has applied for or received a license to carry a concealed weapon or firearm pursuant to s. 790.06 held by the Division of Licensing of the Department of Agriculture and Consumer Services is confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution. This exemption applies to such information held by the division before, on, or after the effective date of this section.

(2) Information made confidential and exempt by this section shall be disclosed:

(a) With the express written consent of the applicant or licensee or his or her legally authorized representative.

(b) By court order upon a showing of good cause.

(c) Upon request by a law enforcement agency in connection with the performance of lawful duties, which shall include access to any automated database containing such information maintained by the Department of Agriculture and Consumer Services.

(3) This section is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2011, unless reviewed and saved from repeal through reenactment by the Legislature.

History.--s. 1, ch. 2006-102.

790.061 Judges and justices; exceptions from licensure provisions.--A county court judge, circuit court judge, district court of appeal judge, justice of the supreme court, federal district court judge, or federal court of appeals judge serving in this state is not required to comply with the provisions of s. 790.06 in order to receive a license to carry a concealed weapon or firearm,

except that any such justice or judge must comply with the provisions of s. 790.06(2)(h). The Department of Agriculture and Consumer Services shall issue a license to carry a concealed weapon or firearm to any such justice or judge upon demonstration of competence of the justice or judge pursuant to s. 790.06(2)(h).

1790.065 Sale and delivery of firearms.--

(1) A licensed importer, licensed manufacturer, or licensed dealer may not sell or deliver from her or his inventory at her or his licensed premises any firearm to another person, other than a licensed importer, licensed manufacturer, licensed dealer, or licensed collector, until she or he has:

(a) Obtained a completed form from the potential buyer or transferee, which form shall have been promulgated by the Department of Law Enforcement and provided by the licensed importer, licensed manufacturer, or licensed dealer, which shall include the name, date of birth, gender, race, and social security number or other identification number of such potential buyer or transferee and has inspected proper identification including an identification containing a photograph of the potential buyer or transferee.

(b) Collected a fee from the potential buyer for processing the criminal history check of the potential buyer. The fee shall be established by the Department of Law Enforcement and may not exceed \$8 per transaction. The Department of Law Enforcement may reduce, or suspend collection of, the fee to reflect payment received from the Federal Government applied to the cost of maintaining the criminal history check system established by this section as a means of facilitating or supplementing the National Instant Criminal Background Check System. The Department of Law Enforcement shall, by rule, establish procedures for the fees to be transmitted by the licensee to the Department of Law Enforcement. All such fees shall be deposited into the Department of Law Enforcement Operating Trust Fund, but shall be segregated from all other funds deposited into such trust fund and must be accounted for separately. Such segregated funds must not be used for any purpose other than the operation of the criminal history checks required by this section. The Department of Law Enforcement, each year prior to February 1, shall make a full accounting of all receipts and expenditures of such funds to the President of the Senate, the Speaker of the House of Representatives, the majority and minority leaders of each house of the Legislature, and the chairs of the appropriations committees of each house of the Legislature. In the event that the cumulative amount of funds collected exceeds the cumulative amount of expenditures by more than \$2.5 million, excess funds may be used for the purpose of purchasing soft body armor for law enforcement officers.

(c) Requested, by means of a toll-free telephone call, the Department of Law Enforcement to conduct a check of the information as reported and reflected in the Florida Crime Information Center and National Crime Information Center systems as of the date of the request.

(d) Received a unique approval number for that inquiry from the Department of Law Enforcement, and recorded the date and such number on the consent form.

However, if the person purchasing, or receiving delivery of, the firearm is a holder of a valid concealed weapons or firearms license pursuant to the provisions of s. 790.06 or holds an active certification from the Criminal Justice Standards and Training Commission as a "law enforcement officer," a "correctional officer," or a "correctional probation officer" as defined in s. 943.10(1), (2), (3), (6), (7), (8), or (9), the provisions of this subsection do not apply.

(2) Upon receipt of a request for a criminal history record check, the Department of Law Enforcement shall, during the licensee's call or by return call, forthwith:

(a) Review any records available to determine if the potential buyer or transferee:

1. Has been convicted of a felony and is prohibited from receipt or possession of a firearm pursuant to s. 790.23;

2. Has been convicted of a misdemeanor crime of domestic violence, and therefore is prohibited from purchasing a firearm;

3. Has had adjudication of guilt withheld or imposition of sentence suspended on any felony or misdemeanor crime of domestic violence unless 3 years have elapsed since probation or any other conditions set by the court have been fulfilled or expunction has occurred; or

4. Has been adjudicated mentally defective or has been committed to a mental institution by a court and as a result is prohibited by federal law from purchasing a firearm.

a. As used in this subparagraph, "adjudicated mentally defective" means a determination by a court that a person, as a result of marked subnormal intelligence, or mental illness, incompetency, condition, or disease, is a danger to himself or herself or to others or lacks the mental capacity to contract or manage his or her own affairs. The phrase shall include a judicial finding of incapacity under s. 744.331(6)(a), an acquittal by reason of insanity of a person charged with a criminal offense, and a judicial finding that a criminal defendant is not competent to stand trial.

b. As used in this subparagraph, "committed to a mental institution" means involuntary commitment, commitment for mental defectiveness or mental illness, and commitment for substance abuse. The phrase shall include involuntary inpatient placement as defined in s. 394.467, involuntary assessment and stabilization under s. 397.6818, and involuntary substance abuse treatment under s. 397.6957, but shall not include a person in a mental institution for observation or discharged from a mental institution based upon the initial review by the physician or a voluntary admission to a mental institution.

c. In order to check for these conditions, the department shall compile and maintain an automated database of persons who are prohibited from purchasing a firearm based on court records of adjudications of mental defectiveness or commitments to mental institutions. Clerks of court are required to submit these records to the department within 1 month after the rendition of the adjudication or commitment. Reports may be submitted in an automated format. The reports must, at a minimum, include the name, along with any known alias or former name, the sex, and the date of birth of the subject. The department shall delete any mental health record from the database upon request of an individual when 5 years have elapsed since the individual's restoration to capacity by court order after being adjudicated an incapacitated person under s. 744.331, or similar laws of any other state; or, in the case of an individual who was previously committed to a mental institution under chapter 394, or similar laws of any other state, when the individual produces a certificate from a licensed psychiatrist that he or she has not suffered from disability for at least 5 years prior to the date of request for removal of the record. Where the department has received a subsequent record of an adjudication of mental defectiveness or commitment to a mental institution for such individual, the 5-year timeframe shall be calculated from the most recent adjudication of incapacitation or commitment.

d. The department is authorized to disclose the collected data to agencies of the Federal Government and other states for use exclusively in determining the lawfulness of a firearm sale or transfer. The department is also authorized to disclose any applicable collected data to the Department of Agriculture and Consumer Services for determination of eligibility for issuance of a concealed weapons or concealed firearms license upon receipt of an applicant fingerprint submission forwarded pursuant to s. 790.06(6)(a). When a potential buyer or transferee appeals a nonapproval based on these records, the clerks of court and mental institutions shall, upon request by the department, provide information to help determine whether the potential buyer or transferee is the same person as the subject of the record. Photographs and any other data that could confirm or negate identity must be made available to the department for such purposes, notwithstanding any other provision of state law to the contrary. Any such information that is made confidential or exempt from disclosure by law shall retain such confidential or exempt status when transferred to the department.

(b) Inform the licensee making the inquiry either that records demonstrate that the buyer or transferee is so prohibited and provide the licensee a nonapproval number, or provide the licensee with a unique approval number.

(c)1. Review any records available to it to determine whether the potential buyer or transferee

has been indicted or has had an information filed against her or him for an offense that is a felony under either state or federal law, or, as mandated by federal law, has had an injunction for protection against domestic violence entered against the potential buyer or transferee under s. 741.30, has had an injunction for protection against repeat violence entered against the potential buyer or transferee under s. 784.046, or has been arrested for a dangerous crime as specified in s. 907.041(4)(a) or for any of the following enumerated offenses:

- a. Criminal anarchy under ss. 876.01 and 876.02.
- b. Extortion under s. 836.05.
- c. Explosives violations under s. 552.22(1) and (2).
- d. Controlled substances violations under chapter 893.
- e. Resisting an officer with violence under s. 843.01.
- f. Weapons and firearms violations under this chapter.
- g. Treason under s. 876.32.
- h. Assisting self-murder under s. 782.08.
- i. Sabotage under s. 876.38.
- j. Stalking or aggravated stalking under s. 784.048.

If the review indicates any such indictment, information, or arrest, the department shall provide to the licensee a conditional nonapproval number.

2. Within 24 working hours, the department shall determine the disposition of the indictment, information, or arrest and inform the licensee as to whether the potential buyer is prohibited from receiving or possessing a firearm. For purposes of this paragraph, "working hours" means the hours from 8 a.m. to 5 p.m. Monday through Friday, excluding legal holidays.

3. The office of the clerk of court, at no charge to the department, shall respond to any department request for data on the disposition of the indictment, information, or arrest as soon as possible, but in no event later than 8 working hours.

4. The department shall determine as quickly as possible within the allotted time period whether the potential buyer is prohibited from receiving or possessing a firearm.

5. If the potential buyer is not so prohibited, or if the department cannot determine the disposition information within the allotted time period, the department shall provide the licensee with a conditional approval number.

6. If the buyer is so prohibited, the conditional nonapproval number shall become a nonapproval number.

7. The department shall continue its attempts to obtain the disposition information and may retain a record of all approval numbers granted without sufficient disposition information. If the department later obtains disposition information which indicates:

- a. That the potential buyer is not prohibited from owning a firearm, it shall treat the record of the transaction in accordance with this section; or
- b. That the potential buyer is prohibited from owning a firearm, it shall immediately revoke the conditional approval number and notify local law enforcement.

8. During the time that disposition of the indictment, information, or arrest is pending and until the department is notified by the potential buyer that there has been a final disposition of the indictment, information, or arrest, the conditional nonapproval number shall remain in effect.

(3) In the event of scheduled computer downtime, electronic failure, or similar emergency beyond the control of the Department of Law Enforcement, the department shall immediately notify the licensee of the reason for, and estimated length of, such delay. After such notification, the department shall forthwith, and in no event later than the end of the next business day of the licensee, either inform the requesting licensee if its records demonstrate that the buyer or transferee is prohibited from receipt or possession of a firearm pursuant to Florida and Federal law or provide the licensee with a unique approval number. Unless notified by the end of said next business day that the buyer or transferee is so prohibited, and without regard to whether she or he has received a unique approval number, the licensee may complete the sale or transfer and shall not be deemed in violation of this section with respect to such sale or transfer.

(4)(a) Any records containing any of the information set forth in subsection (1) pertaining to a buyer or transferee who is not found to be prohibited from receipt or transfer of a firearm by reason of Florida and federal law which records are created by the Department of Law Enforcement to conduct the criminal history record check shall be confidential and exempt from the provisions of s. 119.07(1) and may not be disclosed by the Department of Law Enforcement or any officer or employee thereof to any person or to another agency. The Department of Law Enforcement shall destroy any such records forthwith after it communicates the approval and nonapproval numbers to the licensee and, in any event, such records shall be destroyed within 48 hours after the day of the response to the licensee's request.

(b) Notwithstanding the provisions of this subsection, the Department of Law Enforcement may maintain records of NCIC transactions to the extent required by the Federal Government, and may maintain a log of dates of requests for criminal history records checks, unique approval and nonapproval numbers, license identification numbers, and transaction numbers corresponding to such dates for a period of not longer than 2 years or as otherwise required by law.

(c) Nothing in this chapter shall be construed to allow the State of Florida to maintain records containing the names of purchasers or transferees who receive unique approval numbers or to maintain records of firearm transactions.

(d) Any officer or employee, or former officer or employee of the Department of Law Enforcement or law enforcement agency who intentionally and maliciously violates the provisions of this subsection commits a felony of the third degree punishable as provided in s. 775.082 or s. 775.083.

(5) The Department of Law Enforcement shall establish a toll-free telephone number which shall be operational 7 days a week with the exception of Christmas Day and New Year's Day, for a period of 12 hours a day beginning at 9 a.m. and ending at 9 p.m., for purposes of responding to inquiries as described in this section from licensed manufacturers, licensed importers, and licensed dealers. The Department of Law Enforcement shall employ and train such personnel as are necessary expeditiously to administer the provisions of this section.

(6) Any person who is denied the right to receive or purchase a firearm as a result of the procedures established by this section may request a criminal history records review and correction in accordance with the rules promulgated by the Department of Law Enforcement.

(7) It shall be unlawful for any licensed dealer, licensed manufacturer, or licensed importer willfully and intentionally to request criminal history record information under false pretenses, or willfully and intentionally to disseminate criminal history record information to any person other than the subject of such information. Any person convicted of a violation of this subsection commits a felony of the third degree punishable as provided in s. 775.082 or s. 775.083.

(8) The Department of Law Enforcement shall promulgate regulations to ensure the identity, confidentiality, and security of all records and data provided pursuant to this section.

(9) This section shall become effective at such time as the Department of Law Enforcement has

notified all licensed importers, licensed manufacturers, and licensed dealers in writing that the procedures and toll-free number described in this section are operational. This section shall remain in effect only during such times as the procedures described in subsection (2) remain operational.

(10) A licensed importer, licensed manufacturer, or licensed dealer is not required to comply with the requirements of this section in the event of:

(a) Unavailability of telephone service at the licensed premises due to the failure of the entity which provides telephone service in the state, region, or other geographical area in which the licensee is located to provide telephone service to the premises of the licensee due to the location of said premises; or the interruption of telephone service by reason of hurricane, tornado, flood, natural disaster, or other act of God, war, invasion, insurrection, riot, or other bona fide emergency, or other reason beyond the control of the licensee; or

(b) Failure of the Department of Law Enforcement to comply with the requirements of subsections (2) and (3).

(11) Compliance with the provisions of this chapter shall be a complete defense to any claim or cause of action under the laws of any state for liability for damages arising from the importation or manufacture, or the subsequent sale or transfer to any person who has been convicted in any court of a crime punishable by imprisonment for a term exceeding 1 year, of any firearm which has been shipped or transported in interstate or foreign commerce. The Department of Law Enforcement, its agents and employees shall not be liable for any claim or cause of action under the laws of any state for liability for damages arising from its actions in lawful compliance with this section.

790.153 Tests for impairment or intoxication; right to refuse.--

(1)(a) Any person who uses a firearm within this state shall submit to an approved chemical or physical breath test to determine the alcoholic content of the blood and to a urine test to detect the presence of controlled substances, if there is probable cause to believe that the person was using a firearm while under the influence of alcoholic beverages or controlled substances or that the person is lawfully arrested for any offense allegedly committed while he or she was using a firearm while under the influence of alcoholic beverages or controlled substances. The breath test shall be incidental to a lawful arrest and administered at the request of a law enforcement officer who has probable cause to believe such person was using the firearm within this state while under the influence of alcoholic beverages. The urine test shall be incidental to a lawful arrest and administered at a detention facility, mobile or otherwise, which is equipped to administer such tests at the request of a law enforcement officer who has probable cause to believe such person was using a firearm within this state while under the influence of controlled substances. The urine test shall be administered at a detention facility or any other facility, mobile or otherwise, which is equipped to administer such tests in a reasonable manner that will ensure the accuracy of the specimen and maintain the privacy of the individual involved. The administration of either test shall not preclude the administration of the other test. The refusal to submit to a chemical or physical breath or urine test upon the request of a law enforcement officer as provided in this section shall be admissible into evidence in any criminal proceeding. This section shall not hinder the taking of a mandatory blood test as outlined in s. 790.155.

(b) If the arresting officer does not request a chemical or physical test of the person arrested for any offense allegedly committed while the person was using a firearm while under the influence of alcoholic beverages or controlled substances, such person may request the arresting officer to have a chemical or physical test made of the arrested person's breath for the purpose of determining the alcoholic content of the person's blood or a chemical test of urine or blood for the purpose of

determining the presence of controlled substances; and, if so requested, the arresting officer shall have the test performed.

(c) The provisions of s. 316.1932(1)(f), relating to administration of tests for determining the weight of alcohol in the defendant's blood, additional tests at the defendant's expense, availability of test information to the defendant or the defendant's attorney, and liability of medical institutions and persons administering such tests are incorporated into this act.

(2) The results of any test administered pursuant to this section for the purpose of detecting the presence of any controlled substance shall not be admissible as evidence in a criminal prosecution for the possession of a controlled substance.

(3) Notwithstanding any provision of law pertaining to the confidentiality of hospital records or other medical records, information obtained pursuant to this section shall be released to a court, prosecuting attorney, defense attorney, or law enforcement officer in connection with an alleged violation of s. 790.151 upon request for such information.

History.--s. 2, ch. 91-84; s. 1211, ch. 97-102.

790.155 Blood test for impairment or intoxication in cases of death or serious bodily injury; right to use reasonable force.--

(1)(a) Notwithstanding any recognized ability to refuse to submit to the tests provided in s. 790.153, if a law enforcement officer has probable cause to believe that a firearm used by a person under the influence of alcoholic beverages or controlled substances has caused the death or serious bodily injury of a human being, such person shall submit, upon the request of a law enforcement officer, to a test of his or her blood for the purpose of determining the alcoholic content thereof or the presence of controlled substances therein. The law enforcement officer may use reasonable force if necessary to require such person to submit to the administration of the blood test. The blood test shall be performed in a reasonable manner.

(b) The term "serious bodily injury" means a physical condition which creates a substantial risk of death, serious personal disfigurement, or protracted loss or impairment of the function of any bodily member or organ.

(2) The provisions of s. 316.1933(2), relating to blood tests for impairment or intoxication, are incorporated into this act.

(3)(a) Any criminal charge resulting from the incident giving rise to the officer's demand for testing should be tried concurrently with a charge of any violation of s. 790.151. If such charges are tried separately, the fact that such person refused, resisted, obstructed, or opposed testing shall be admissible at the trial of the criminal offense which gave rise to the demand for testing.

(b) The results of any test administered pursuant to this section for the purpose of detecting the presence of any controlled substance shall not be admissible as evidence in a criminal prosecution for the possession of a controlled substance.

(4) Notwithstanding any provision of law pertaining to the confidentiality of hospital records or other medical records, information obtained pursuant to this section shall be released to a court, prosecuting attorney, defense attorney, or law enforcement officer in connection with an alleged violation of s. 790.151 upon request for such information.

History.--s. 3, ch. 91-84; s. 1212, ch. 97-102.

790.157 Presumption of impairment; testing methods.--

(1) It is unlawful and punishable as provided in s. 790.151 for any person who is under the influence of alcoholic beverages or controlled substances, when affected to the extent that his or her normal faculties are impaired, to use a firearm in this state.

(2) Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while using a firearm while under the influence of alcoholic beverages or controlled substances, when affected to the extent that his or her normal faculties were impaired or to the extent that the person was deprived of full possession of his or her normal faculties, the results of any test administered in accordance with s. 790.153 or s. 790.155 and this section shall be admissible into evidence when otherwise admissible, and the amount of alcohol in the person's blood at the time alleged, as shown by chemical analysis of the person's blood or chemical or physical analysis of the person's breath, shall give rise to the following presumptions:

(a) If there was at that time 0.05 percent or less by weight of alcohol in the person's blood, it shall be presumed that the person was not under the influence of alcoholic beverages to the extent that his or her normal faculties were impaired.

(b) If there was at that time in excess of 0.05 percent but less than 0.10 percent by weight of alcohol in the person's blood, such fact shall not give rise to any presumption that the person was or was not under the influence of alcoholic beverages to the extent that his or her normal faculties were impaired, but such fact may be considered with other competent evidence in determining whether the person was under the influence of alcoholic beverages to the extent that his or her normal faculties were impaired.

(c) If there was at that time 0.10 percent or more by weight of alcohol in the person's blood, that fact shall be prima facie evidence that the person was under the influence of alcoholic beverages to the extent that his or her normal faculties were impaired.

The percent by weight of alcohol in the blood shall be based upon grams of alcohol per 100 milliliters of blood. The foregoing provisions of this subsection shall not be construed as limiting the introduction of any other competent evidence bearing upon the question of whether the person was under the influence of alcoholic beverages to the extent that his or her normal faculties were impaired.

(3) A chemical analysis of a person's blood to determine its alcoholic content or a chemical or physical analysis of a person's breath, in order to be considered valid under the provisions of this section, must have been performed substantially in accordance with methods approved by the Florida Department of Law Enforcement and by an individual possessing a valid permit issued by the department for this purpose. Any insubstantial differences between approved techniques and actual testing procedures in an individual case shall not render the test or test results invalid. The Florida Department of Law Enforcement may approve satisfactory techniques or methods, ascertain the qualification and competence of individuals to conduct such analyses, and issue permits which shall be subject to termination or revocation in accordance with rules adopted by the department.

(4) Any person charged with using a firearm while under the influence of alcoholic beverages or controlled substances to the extent that his or her normal faculties were impaired, whether in a municipality or not, shall be entitled to trial by jury according to the Florida Rules of Criminal Procedure.

The discharge of such machine gun in, upon, or across such public street; in, upon, or across such public park; or in, upon, or across such public place, whether indoors or outdoors, including all theaters and athletic stadiums, with intent to do bodily harm to any person or with intent to do damage to property not resulting in the death of another person shall be a felony of the first degree, punishable as provided in s. 775.082. A sentence not exceeding life imprisonment is specifically authorized when great bodily harm to another or serious disruption of governmental operations results.

(2) This section shall not apply to the use of such machine guns by any United States or state militia or by any law enforcement officer while in the discharge of his or her lawful duty in

suppressing riots and disorderly conduct and in preserving and protecting the public peace or in the preservation of public property, or when said use is authorized by law.

In the event the death penalty in a capital felony is held to be unconstitutional by the Florida Supreme Court or the United States Supreme Court, the court having jurisdiction over a person previously sentenced to death for a capital felony shall cause such person to be brought before the court, and the court shall sentence such person to life imprisonment if convicted of murder in the first degree or of a capital felony under this subsection, and such person shall be ineligible for parole. No sentence of death shall be reduced as a result of a determination that a method of execution is held to be unconstitutional under the State Constitution or the Constitution of the United States.

(1) **PREEMPTION.**--Except as expressly provided by general law, the Legislature hereby declares that it is occupying the whole field of regulation of firearms and ammunition, including the purchase, sale, transfer, taxation, manufacture, ownership, possession, and transportation thereof, to the exclusion of all existing and future county, city, town, or municipal ordinances or regulations relating thereto. Any such existing ordinances are hereby declared null and void. This subsection shall not affect zoning ordinances which encompass firearms businesses along with other businesses. Zoning ordinances which are designed for the purpose of restricting or prohibiting the sale, purchase, transfer, or manufacture of firearms or ammunition as a method of regulating firearms or ammunition are in conflict with this subsection and are prohibited.

(2) **LIMITED EXCEPTION; COUNTY WAITING-PERIOD ORDINANCES.**--

(a) Any county may have the option to adopt a waiting-period ordinance requiring a waiting period of up to, but not to exceed, 3 working days between the purchase and delivery of a handgun. For purposes of this subsection, "purchase" means payment of deposit, payment in full, or notification of intent to purchase. Adoption of a waiting-period ordinance, by any county, shall require a majority vote of the county commission on votes on waiting-period ordinances. This exception is limited solely to individual counties and is limited to the provisions and restrictions contained in this subsection.

(b) Ordinances authorized by this subsection shall apply to all sales of handguns to individuals by a retail establishment except those sales to individuals exempted in this subsection. For purposes of this subsection, "retail establishment" means a gun shop, sporting goods store, pawn shop, hardware store, department store, discount store, bait or tackle shop, or any other store or shop that offers handguns for walk-in retail sale but does not include gun collectors shows or exhibits, or gun shows.

(d) The following shall be exempt from any waiting period:

1. Individuals who are licensed to carry concealed firearms under the provisions of s. 790.06 or who are licensed to carry concealed firearms under any other provision of state law and who show a valid license;

4. A law enforcement agency as defined in s. 934.02;
5. Sales or transactions between dealers or between distributors or between dealers and distributors who have current federal firearms licenses; or

(b) As created by chapter 87-23, Laws of Florida, this section shall be known and may be cited as the "Joe Carlucci Uniform Firearms Act."

History.--ss. 1, 2, 3, 4, ch. 87-23; s. 5, ch. 88-183.

790.331 Prohibition of civil actions against firearms or ammunition manufacturers, firearms trade associations, firearms or ammunition distributors, or firearms or ammunition dealers.--

(1) The Legislature finds and declares that the manufacture, distribution, or sale of firearms and ammunition by manufacturers, distributors, or dealers duly licensed by the appropriate federal and state authorities is a lawful activity and is not unreasonably dangerous, and further finds that the unlawful use of firearms and ammunition, rather than their lawful manufacture, distribution, or sale, is the proximate cause of injuries arising from their unlawful use.

(2) Except as permitted by this section, a legal action against a firearms or ammunition manufacturer, firearms trade association, firearms or ammunition distributor, or firearms or ammunition dealer on behalf of the state or its agencies and instrumentalities, or on behalf of a county, municipality, special district, or any other political subdivision or agency of the state, for damages, abatement, or injunctive relief resulting from or arising out of the lawful design, marketing, distribution, or sale of firearms or ammunition to the public is prohibited. However, this subsection does not preclude a natural person from bringing an action against a firearms or ammunition manufacturer, firearms trade association, firearms or ammunition distributor, or firearms or ammunition dealer for breach of a written contract, breach of an express warranty, or injuries resulting from a defect in the materials or workmanship in the manufacture of a firearm or ammunition.

(3) A county, municipality, special district, or other political subdivision or agency of the state may not sue for or recover from a firearms or ammunition manufacturer, firearms trade association, firearms or ammunition distributor, or firearms or ammunition dealer damages, abatement, or injunctive relief in any case that arises out of or results from the lawful design, marketing, distribution, or sale of firearms or ammunition to the public.

(4) This section does not prohibit an action against a firearms or ammunition manufacturer, distributor, or dealer for:

(a) Breach of contract or warranty in connection with a firearm or ammunition purchased by a

county, municipality, special district, or other political subdivision or agency of the state.

(b) Injuries resulting from the malfunction of a firearm or ammunition due to a defect in design or manufacture.

(5)(a) For the purposes of this section, the potential of a firearm or ammunition to cause serious injury, damage, or death as a result of normal function does not constitute a defective condition of the product.

(b) A firearm or ammunition may not be deemed defective on the basis of its potential to cause serious injury, damage, or death when discharged legally or illegally.

(6)(a) If a civil action is brought in violation of this section, the defendant may recover all expenses resulting from such action from the governmental entity bringing such action.

(b) In any civil action where the court finds that the defendant is immune as provided in this section, the court shall award the defendant all attorney's fees, costs and compensation for loss of income, and expenses incurred as a result of such action.

(7) This section applies to any action brought on or after the effective date of this section.

History.--s. 1, ch. 2001-38.

790.333 Sport shooting and training range protection; liability; claims, expenses, and fees; penalties; preemption; construction.--

(1) LEGISLATIVE FINDINGS.--

(a) The Legislature finds that in excess of 400 sport shooting and training ranges exist on public and private lands throughout this state.

(b) These sport shooting and training ranges are widely used and enjoyed by the residents of this state and are a necessary component of the guarantees of the Second Amendment to the United States Constitution and of s. 8, Art. I of the State Constitution.

(c) Many of these ranges are used by state and local law enforcement agencies for training, practice, and regular mandatory qualification by law enforcement officers; by Fish and Wildlife Conservation Commission hunter safety instructors who teach adults and youngsters in the safe use and handling of firearms in preparation for obtaining hunting licenses; by school boards, colleges, and universities for reserve officer training corps training and activities; by school shooting teams; by Olympic competitors; and by certified instructors who teach the safe use and handling of firearms in preparation for applying for licenses to carry concealed firearms for lawful self-protection.

(d) The public policy of the State of Florida is to encourage the safe handling and operation of firearms and mandates appropriate training in the safe use and handling of firearms for persons licensed to carry concealed firearms and for persons licensed to hunt in the state. Sport shooting and training ranges throughout this state provide the location at which this important public purpose is served and at which the firearms training mandates are fulfilled.

(e) Projectiles are integral to sport shooting and training range activity and to the ownership and use of firearms.

(f) Over years of operation, projectiles have accumulated in the environment at many ranges. Whether this projectile accumulation has caused or will cause degradation of the environment or harm to human health depends on factors that are site-specific. Therefore, sport shooting and training ranges must be allowed flexibility to apply appropriate environmental management practices at ranges. The use of environmental management practices can be implemented to avoid or reduce any potential for adverse environmental impact.

(g) The Department of Environmental Protection, in collaboration with shooting range owners and operators, sport shooting organizations, law enforcement representatives, and university researchers, has developed shooting range best management practices in order to minimize any potential for any adverse environmental impact resulting from the operation of shooting ranges.

(h) Appropriate environmental management practices, when implemented where applicable, can minimize or eliminate environmental impacts associated with projectiles. Environmental management practices to maintain or to improve the condition of ranges is evolving and will continue to evolve.

(i) Unnecessary litigation and unnecessary regulation by governmental agencies of sport shooting and training ranges impairs the ability of residents of this state to ensure safe handling of firearms and to enjoy the recreational opportunities ranges provide. The cost of defending these actions is prohibitive and threatens to bankrupt and destroy the sport shooting and training range industry.

(j) The Department of Environmental Protection does not have nor has it ever had authority to force permitting requirements of part IV of chapter 403 on owners and operators of sport shooting and training ranges.

(k) The elimination of sport shooting ranges will unnecessarily impair the ability of residents of this state to exercise and practice their constitutional guarantees under the Second Amendment to the United States Constitution and under s. 8, Art. I of the State Constitution.

(2) LEGISLATIVE INTENT.--The Legislature intends to protect public and private sport shooting or training range owners, operators, users, employees, agents, contractors, customers, lenders, and insurers from lawsuits and other legal actions by the state, special purpose districts, or political subdivisions and to promote maximum flexibility for implementation of environmental management practices and of the principles of risk-based corrective action pursuant to s. 376.30701. It is also the intent of the Legislature that legal action against sport shooting and training ranges will only be a last-resort option and be available only to the department and only after all reasonable efforts to resolve disputes at shooting ranges, including compliance assistance, negotiations, and alternative dispute resolution, have been attempted.

(3) DEFINITIONS.--As used in this act:

(a) "Department" means the Department of Environmental Protection.

(b) "Operator" means any person who operates or has operated a sport shooting or training range.

(c) "Owner" means any person who owns or has owned a sport shooting or training range or any interest therein.

(d) "Projectile" means any object expelled, propelled, discharged, shot, or otherwise released from a firearm, BB gun, airgun, or similar device, including, but not limited to, gunpowder, ammunition, lead, shot, skeet, and trap targets and associated chemicals, derivatives, and constituents thereof.

(e) "Environmental management practices" includes but is not limited to Best Management Practices for Environmental Stewardship of Florida Shooting Ranges as developed by the Department of Environmental Protection. Such practices include, but are not limited to, control and containment of projectiles, prevention of the migration of projectiles and their constituents to ground and surface water, periodic removal and recycling of projectiles, and documentation of actions taken.

(f) "Environment" means the air, water, surface water, sediment, soil, and groundwater and other natural and manmade resources of this state.

(g) "User" means any person, partner, joint venture, business or social entity, or corporation, or any group of the foregoing, organized or united for a business, sport, or social purpose.

(h) "Sport shooting and training range" or "range" means any area that has been designed, or operated for the use of, firearms, rifles, shotguns, pistols, silhouettes, skeet, trap, black powder, BB guns, airguns, or similar devices, or any other type of sport or training shooting.

(4) DUTIES.--

(a) No later than January 1, 2005, the department shall make a good faith effort to provide copies of the Best Management Practices for Environmental Stewardship of Florida Shooting Ranges to all owners or operators of sport shooting or training ranges. The department shall also provide technical assistance with implementing environmental management practices, which may include workshops, demonstrations, or other guidance, if any owner or operator of sport shooting or training ranges requests such assistance.

(b) No later than January 1, 2006, sport shooting or training range owners, operators, tenants, or occupants shall implement situation appropriate environmental management practices.

(c) If contamination is suspected or identified by any owner, operator, tenant, or occupant of sport shooting or training ranges, any owner, operator, tenant, or occupant of sport shooting or training ranges may request that the department assist with or perform contamination assessment, including, but not limited to, assistance preparing and presenting a plan to confirm the presence and extent of contamination.

(d) If contamination is suspected or identified by a third-party complaint or adjacent property sampling events, the department shall give 60 days' notice to the sport shooting or training range owner, operator, tenant, or occupant of the department's intent to enter the site for the purpose of investigating potential sources of contamination. The department may assist with or perform contamination assessment, including, but not limited to, assistance preparing and presenting a plan to confirm the presence and extent of contamination.

(e) If the department confirms contamination under paragraph (c) or paragraph (d), principles of risk-based corrective action pursuant to s. 376.30701 shall be applied to sport shooting or training ranges. Application of the minimum risk-based corrective action principles shall be the primary responsibility of the sport shooting range or training range owner or operator for implementation, however, the department may assist in these efforts. Risk-based corrective action plans used for these cleanups shall be based upon the presumption that the sport shooting or training range is an industrial use and not a residential use and will continue to be operated as a sport shooting or training range.

(5) SPORT SHOOTING AND TRAINING RANGE PROTECTION.--

(a) Notwithstanding any other provision of law, any public or private owner, operator, employee, agent, contractor, customer, lender, insurer, or user of any sport shooting or training range located in this state shall have immunity from lawsuits and other legal actions from the state and any of its agencies, special purpose districts, or political subdivisions for any claims of any kind associated with the use, release, placement, deposition, or accumulation of any projectile in the environment, on or under that sport shooting or training range, or any other property over which the range has an easement, leasehold, or other legal right of use, if the sport shooting or training range owner or operator has made a good faith effort to comply with subsection (4).

(b) Nothing in this act is intended to impair or diminish the private property rights of owners of property adjoining a sport shooting or training range.

(c) The sport shooting and training range protections provided by this act are supplemental to any other protections provided by general law.

(6) WITHDRAWALS OF CLAIMS AND RECOVERY OF EXPENSES AND ATTORNEY'S FEES.--

(a) Within 90 days after the effective date of this act becoming law, all claims by the state and any of its agencies, special purpose districts, or political subdivisions against sport shooting or training ranges pending in any court of this state or before any administrative agency on January 1,

2004, shall be withdrawn. The termination of such cases shall have no effect on the defendant's cause of action for damages, reasonable attorney's fees, and costs.

(b) In any action filed in violation of this act after the effective date of this act, the defendant shall recover all expenses resulting from such action from the governmental body, person, or entity bringing such unlawful action.

(7) PENALTIES.--Any official, agent, or employee of a county, municipality, town, special purpose district, or other political subdivision or agent of the state, while he or she was acting in his or her official capacity and within the scope of his or her employment or office, who intentionally and maliciously violates the provisions of this section or is party to bringing an action in violation of this section commits a misdemeanor of the first degree, punishable as provided in ss. 775.082 and 775.083.

(8) PREEMPTION.--Except as expressly provided by general law, the Legislature hereby declares that it is occupying the whole field of regulation of firearms and ammunition use at sport shooting and training ranges, including the environmental effects of projectile deposition at sport shooting and training ranges.

(9) The provisions of this act shall supersede any conflicting provisions of chapter 376 or chapter 403.

(10) CONSTRUCTION.--This act shall be liberally construed to effectuate its remedial and deterrent purposes.

History.--s. 1, ch. 2004-56.

790.335 Prohibition of registration of firearms.--

(1) LEGISLATIVE FINDINGS AND INTENT.--

(a) The Legislature finds and declares that:

1. The right of individuals to keep and bear arms is guaranteed under both the Second Amendment to the United States Constitution and s. 8, Art. I of the State Constitution.

2. A list, record, or registry of legally owned firearms or law-abiding firearm owners is not a law enforcement tool and can become an instrument for profiling, harassing, or abusing law-abiding citizens based on their choice to own a firearm and exercise their Second Amendment right to keep and bear arms as guaranteed under the United States Constitution. Further, such a list, record, or registry has the potential to fall into the wrong hands and become a shopping list for thieves.

3. A list, record, or registry of legally owned firearms or law-abiding firearm owners is not a tool for fighting terrorism, but rather is an instrument that can be used as a means to profile innocent citizens and to harass and abuse American citizens based solely on their choice to own firearms and exercise their Second Amendment right to keep and bear arms as guaranteed under the United States Constitution.

4. Law-abiding firearm owners whose names have been illegally recorded in a list, record, or registry are entitled to redress.

(b) The Legislature intends through the provisions of this section to:

1. Protect the right of individuals to keep and bear arms as guaranteed under both the Second Amendment to the United States Constitution and s. 8, Art. I of the State Constitution.

2. Protect the privacy rights of law-abiding firearm owners.

(2) PROHIBITIONS.--No state governmental agency or local government, special district, or other

political subdivision or official, agent, or employee of such state or other governmental entity or any other person, public or private, shall knowingly and willfully keep or cause to be kept any list, record, or registry of privately owned firearms or any list, record, or registry of the owners of those firearms.

(3) EXCEPTIONS.--The provisions of this section shall not apply to:

(a) Records of firearms that have been used in committing any crime.

(b) Records relating to any person who has been convicted of a crime.

(c) Records of firearms that have been reported stolen that are retained for a period not in excess of 10 days after such firearms are recovered. Official documentation recording the theft of a recovered weapon may be maintained no longer than the balance of the year entered, plus 2 years.

(d) Firearm records that must be retained by firearm dealers under federal law, including copies of such records transmitted to law enforcement agencies. However, no state governmental agency or local government, special district, or other political subdivision or official, agent, or employee of such state or other governmental entity or any other person, private or public, shall accumulate, compile, computerize, or otherwise collect or convert such written records into any form of list, registry, or database for any purpose.

(e)1. Records kept pursuant to the recordkeeping provisions of s. 790.065; however, nothing in this section shall be construed to authorize the public release or inspection of records that are made confidential and exempt from the provisions of s. 119.07(1) by s. 790.065(4)(a).

2. Nothing in this paragraph shall be construed to allow the maintaining of records containing the names of purchasers or transferees who receive unique approval numbers or the maintaining of records of firearm transactions.

(f) Firearm records, including paper pawn transaction forms and contracts on firearm transactions, required by chapters 538 and 539.

1. Electronic firearm records held pursuant to chapter 538 may only be kept by a secondhand dealer for 30 days after the date of the purchase of the firearm by the secondhand dealer.

2. Electronic firearm records held pursuant to chapter 539 may only be kept by a pawnbroker for 30 days after the expiration of the loan that is secured by a firearm or 30 days after the date of purchase of a firearm, whichever is applicable.

3. Except as required by federal law, any firearm records kept pursuant to chapter 538 or chapter 539 shall not, at any time, be electronically transferred to any public or private entity, agency, business, or enterprise, nor shall any such records be copied or transferred for purposes of accumulation of such records into lists, registries, or databases.

4. Notwithstanding subparagraph 3., secondhand dealers and pawnbrokers may electronically submit firearm transaction records to the appropriate law enforcement agencies as required by chapters 538 and 539; however, the law enforcement agencies may not electronically submit such records to any other person or entity and must destroy such records within 60 days after receipt of such records.

5. Notwithstanding subparagraph 3., secondhand dealers and pawnbrokers may electronically submit limited firearms records consisting solely of the manufacturer, model, serial number, and caliber of pawned or purchased firearms to a third-party private provider that is exclusively incorporated, exclusively owned, and exclusively operated in the United States and that restricts access to such information to only appropriate law enforcement agencies for legitimate law enforcement purposes. Such records must be destroyed within 30 days by the third-party provider. As a condition of receipt of such records, the third-party provider must agree in writing to comply with the requirements of this section. Any pawnbroker or secondhand dealer who contracts with a third-party provider other than as provided in this act or electronically transmits any records of

firearms transactions to any third-party provider other than the records specifically allowed by this paragraph commits a felony of the second degree, punishable as provided in s. 775.082 or s. 775.083.

(g) Records kept by the Department of Law Enforcement of NCIC transactions to the extent required by federal law and a log of dates of requests for criminal history record checks, unique approval and nonapproval numbers, license identification numbers, and transaction numbers corresponding to such dates.

(h) Records of an insurer that, as a condition to providing insurance against theft or loss of a firearm, identify such firearm. Such records may not be sold, commingled with records relating to other firearms, or transferred to any other person or entity. The insurer may not keep a record of such firearm more than 60 days after the policy of insurance expires or after notification by the insured that the insured is no longer the owner of such firearm.

(i) Lists of customers of a firearm dealer retained by such dealer, provided that such lists do not disclose the particular firearms purchased. Such lists, or any parts thereof, may not be sold, commingled with records relating to other firearms, or transferred to any other person or entity.

(j) Sales receipts retained by the seller of firearms or by a person providing credit for such purchase, provided that such receipts shall not serve as or be used for the creation of a database for registration of firearms.

(k) Personal records of firearms maintained by the owner of such firearms.

(l) Records maintained by a business that stores or acts as the selling agent of firearms on behalf of the lawful owner of the firearms.

(m) Membership lists of organizations comprised of firearm owners.

(n) Records maintained by an employer or contracting entity of the firearms owned by its officers, employees, or agents, if such firearms are used in the course of business performed on behalf of the employer.

(o) Records maintained pursuant to s. 790.06 by the Department of Agriculture and Consumer Services of a person who was a licensee within the prior 2 years.

(p) Records of firearms involved in criminal investigations, criminal prosecutions, criminal appeals, and postconviction motions, civil proceedings relating to the surrender or seizure of firearms including protective injunctions, Baker Act commitments, and sheriff's levies pursuant to court judgments, and voluntary surrender by the owner or custodian of the firearm.

(q) Paper documents relating to firearms involved in criminal cases, criminal investigations, and criminal prosecutions, civil proceedings relating to the surrender or seizure of firearms including protective injunctions, Baker Act commitments, and sheriff's levies pursuant to court judgments, and voluntary surrender by the owner or custodian of the firearm.

(r) Noncriminal records relating to the receipt, storage or return of firearms, including, but not limited to, records relating to firearms impounded for storage or safekeeping, receipts proving that a firearm was returned to the rightful owner and supporting records of identification and proof of ownership, or records relating to firearms impounded pursuant to levies or court orders, provided, however, that such records shall not be compiled, sorted, or otherwise arranged into any lists, indexes, or registries of firearms or firearm owners.

(4) PENALTIES.--

(a) Any person who violates a provision of this section commits a felony of the third degree, punishable as provided in s. 775.082 or s. 775.083.

(b) Except as required by the provisions of s. 16, Art. I of the State Constitution or the Sixth Amendment to the United States Constitution, no public funds shall be used to defend the unlawful conduct of any person charged with a violation of this section, unless the charges against such person are dismissed or such person is determined to be not guilty at trial. Notwithstanding this paragraph, public funds may be expended to provide the services of the office of public defender or court-appointed conflict counsel as provided by law.
